

Course 2A Completion Record

Senior / BI Analyst 2026 - optional path - evidence-based

CORE COMPLETION EVIDENCE

C2-00 through C2-09 required core learning/Gates passed under canonical route; CAP1-CAP14 individually mastered; Final Gate A/B/C variant passed; Promotion/Job-Switch Readiness Workbook updated truthfully; no protected-review integrity violation; no unresolved critical learner blocker.

NOT REQUIRED FOR C2A COMPLETION

PL-300 certification/readiness is optional. C2A-to-DE readiness is optional. An employer promotion, salary increase or external job offer is not a course-completion requirement.

NO GUARANTEE

Course 2A completion means the internal optional Senior/BI curriculum and required capability Gates were completed. It does not guarantee title, salary, job offer, Microsoft exam result or Data Engineer job readiness.
